

ASPIC 2012 "7th ASIAN SYMPOSIUM on POLYMERS in CONCRETE" ISTANBUL-TURKEY, 3-5 October 2012

IMPORTANT DATES

November 15, 2011	Deadline for abstract submission
December 15, 2011	Acceptance notification of abstracts
May 1, 2012	Deadline submission of draft papers
June 15, 2012	Acceptance notification of draft papers
July 15, 2012	Deadline submission of final papers
October 3-5, 2012	Symposium

THEMES

Design of Polymer- Modified Mortars And Concretes

Microstructure of Polymer Concrete Composites

Properties of Polymer Concrete Composites

Test Methods for Concrete-Polymer Composites

Recent Developments in Theory and Practice of Concrete-Polymer Composites

Production Techniques and Material Selections of Concrete-Polymer Composites

Concrete-Polymer Composites for Repairing Of Reinforced Concrete Structures

Fiber Reinforced Concrete-Polymer Composites

Durability Properties of Concrete-Polymer Composites

International Scientific Committee

Prof. José Aguiar, University of Minho, Portugal

Prof. Fevziye Aköz, Yıldız Technical University, Turkey

Prof. Bulent Baradan, Dokuzeylül University, Turkey

Dr. Muhammad Aamer Rafique Bhutta, Universiti Teknologi Malaysia, Malaysia

Dr. Nak-Woon Choi, Samsung Fine Chemicals Co. Ltd., Korea

Prof. Luc Courard, Universite de Liege, Belgium

Prof. Sakir Erdogan, Karadeniz Technical University

Prof. Abdurrahman Guner, Istanbul University, Turkey

Dr. Hitoshi Hamasaki, Building Research Institute, Japan

Prof. Eui-Hwan Hwang, Cheonan National Technical College, Korea

Dr. Hiroshi Ibe, Japan

Prof. Young-Kug Jo, Chungwoon University, Korea

Prof. Myung-Ki Joo, Sangji University, Korea

Prof. Makoto Kawakami, Akita University, Japan

Prof. Wan-Ki Kim, Hyupsung University, Korea

Prof. Kwang-Woo Kim, Kangwon National University, Korea

WELCOME

ASPIC 2012, the 7th ASPIC Symposium will be held in Istanbul, the city where two continents meet. The history of the city goes to 8500 years back after the recent findings obtained during the submerged tube construction between the Asian and European sides of the Bosphorus.

ASPIC symposiums have become the continuation of the ICPIC Conferences. After the 6th ASPIC in Shanghai in 2009 and 13th ICPIC in Madeira Islands, 7th ASPIC will be organized by Istanbul Technical University between the 3rd and the 5th October 2012 in Istanbul, Turkey.

ASPIC 2012 will collect research people from not only Asian Countries but also Middle-east, South-east and South Europe, North Africa, all over the world.

Not only research people but also civil engineers and architects, product manufacturers, ready-mixed concrete producers, civil engineering contractors, concrete placers and finishers can find interesting subjects in the symposium.

The keynote addresses will be delivered by the well known science people from all over the World. All aspects of polymers in concrete will be discussed during the symposium including the innovative studies as well as past successful experiences.

On behalf of Organizing Committee it is a great pleasure for us to welcome you to the ASPIC 2012 Symposium.

SOCIAL PROGRAMME

Symposium dinner will take place on a boat during a trip along the two sides of Bosphorus, i.e., Asian and Europe.

A trip will be organized to the Sultanahmet square, where the famous Ottoman Building of Blue Mosque, The Byzantine building of Hagia Sophia and Basilica Cistern take place.

REGISTRATION INCLUDES
