

M-CRInfra Competition

Date: 7 December 2024
Venue: Monash University Malaysia

Sustainable Developments for Future Infrastructure

To foster research discussions, understanding, and sharing of knowledge related to sustainable and resilient infrastructure for future development

KEY DATES OBJECTIVE THEMES

Call for submissions:
Monday, 9 Sept 2024

Submission due date
Thursday, 31 Oct 2024

Notification of results:
Monday, 11 Nov 2024
(will include details of the final competition, dress code and accommodation arrangements, etc.)

Participants to confirm (first round)
Friday, 15 Nov 2024

Participants to confirm (last round):
Friday, 22 Nov 2024 (waiting list)

Competition date:
Saturday, 7 Dec 2024
(lunch and tea break provided)

Prize ceremony for winners:
Monday, 9 Dec 2024

Research related to or focusing on the following themes is highly recommended. Nonetheless, research focusing on sustainable developments for future infrastructure but not listed below is also invited for submission.

- 01 Sustainable construction materials (recycling, low-carbon, life cycle analysis)
- 02 Assessment of environmental impact due to infrastructure
- 03 Sustainable energy infrastructure
- 04 Emerging contaminants and their implications on future infrastructure
- 05 Water resources and management
- 06 Developments in built environments (construction systems, design codes)
- 07 Construction automation techniques (Building Information Modeling, Digital twin, Lean construction, automated construction, 3D printing)
- 08 Maintenance or enhancement of asphaltic pavement service life

M-CRInfra Competition

Date: 7 December 2024
Venue: Monash University Malaysia

Submission format
A video and a written abstract

Video
Maximum recording time of
10 minutes.

Abstract
Maximum **300 words**

Format
Video in MP4 format &
abstract in PDF format

Where to submit
Google Form QR code

Accommodation
Will be arranged by the
M-CRInfra 2024 Symposium
(if from outside the Selangor or
Kuala Lumpur area)

Travel
Should be arranged
by the participant

RULES AND REGULATIONS **WRITTEN ABSTRACT**

Submission type
PDF Only

Title of the Research
(Maximum 20 words)

Details of the Participants
**(Name, Affiliation, Phone number and
Email IDs)**

Abstract
(Maximum 300 words)

Details of the Candidature
(MSc/PhD)
If the thesis is submitted or awarded,
mention the date of submission.
