

## MECHANICS OF MASONRY STRUCTURES STRENGTHENED WITH COMPOSITE MATERIALS

modeling, testing, design, monitoring, control

**call for abstracts**

June 25-27, 2025

[www.events.unibo.it/murico8](http://www.events.unibo.it/murico8)

## CONFERENCE MINISIMPOSIA

MS01 - Advanced computational models for masonry and composite strengthening systems

MS02 - Durability and sustainability of FRCC systems for masonry strengthening

MS03 - Composite Materials in Architectural Heritage Conservation: lessons learned from experience

MS04 - Advances in the investigation of bond-dominated problems of organic and inorganic composites applied to masonry structures

MS05 - New Frontiers in sustainable vegetal and mineral composite materials: experimental insights and advanced modelling

MS06 – Advancing Structural Health Monitoring and Non-Destructive Testing for Resilient Masonry Structures and Infrastructures

## IMPORTANT DATES:

- Abstract submission deadline: February 15, 2025
- Notification of provisional acceptance of the abstract: March 1, 2025
- Full-paper submission for review (min 6, max 8 pages): April 15, 2025
- Notification of provisional acceptance of the full paper: May 10, 2025
- Submission of revised full-paper and registration deadline: June 1, 2025
- Conference dates: June 25-27, 2025

## ABSTRACT SUBMISSION

Authors wishing to contribute to the conference are invited to submit a one-page abstract using the conference website. The conference programme will include only the accepted abstracts.

**Abstract submission is open at:**

<https://eventi.unibo.it/murico8/abstract-submission>

## CONFERENCE PROCEEDINGS

The papers submitted to the MuRiCo8 conference will be subjected to a technical peer-review process and, upon acceptance, will be published in the Lecture Notes in Civil Engineering (Springer Nature).

All accepted papers will be indexed in Scopus.

Registration Fees	Early (before 15/03/25)	Late (after 15/03/25)
Full Delegate Registration (Including Conference Banquet)	550,00 €	650,00 €
Reduced Delegate Registration (Not Including Conference Banquet)	450,00 €	550,00 €
Full Student Registration (Including Conference Banquet)(*)	400,00 €	500,00 €
Reduced Student Registration (Not Including Conference Banquet)(*)	300,00 €	400,00 €
Banquet Ticket	100,00 €	100,00 €
Accompanying Persons Programme (Includes Welcome Reception and Banquet)	150,00 €	150,00 €

Please note that: the conference fee is including the AICO association fee since the conference is reserved for AICO members only.

## ABOUT AICO

AICO, the Italian association of composites materials, is non-governmental non-profit scientific organization, whose objective is to engage in all activities intended to promote the development of composites materials within the engineering fields of application. Further details are available on [www.aico-compositi.it](http://www.aico-compositi.it)
